Dewey & LeBoeuf is an international law firm headquartered in New York with more than 1,200 lawyers in 15 countries, namely the United States, United Kingdom, Belgium, France, Germany, Italy, Poland, Spain, China, South Africa, Kazakhstan, Russia, Saudi Arabia, Qatar, and the United Arab Emirates.

Our Houston office is an integral part of the firm's international Energy practice, bridging the Texas market with the rest of the world. The office, with Corporate and Litigation practices advising on energy M&A, projects, and regulation, as well as an aggressive trial and arbitration practice, services a sophisticated client base. Our lawyers represent multinational corporations, governments, and state-owned entities with interests in the United States and throughout Europe, the Middle East, and Africa.

During the summer, the Houston office offers opportunities to meet new people and build upon existing relationships through firm outings, including Astros baseball games, Saturday afternoon barbecues, and dinners with partners and their spouses, often at their homes.

In Houston, summer associates, like first-year associates, work with associate and partner teams handling world-class litigation and international energy transactions. They learn what life at Dewey & LeBoeuf is like, and they learn how to be a lawyer.
