Dewey & LeBoeuf is an international law firm headquartered in New York with more than 1,200 lawyers in 15 countries, namely the United States, United Kingdom, Belgium, France, Germany, Italy, Poland, Spain, China, South Africa, Kazakhstan, Russia, Saudi Arabia, Qatar, and the United Arab Emirates.

Our Los Angeles office has a team of 28 lawyers who advise on litigation, corporate and other transactional matters, corporate governance, insurance, bankruptcy reorganizations and workouts, tax, fraud, mergers and acquisitions, project finance, and regulatory matters.

Dewey & LeBoeuf Los Angeles is not just about hard work. We offer opportunities to meet new people and forge strong relationships with colleagues through networking and social events, including a night at the theater, Dodger games, and a tour of downtown Los Angeles with one of our lawyers.

As a summer associate, you will have the chance to learn from lawyers who are leaders in their respective areas of practice. There is no formal rotation program for summer associates. Instead, summer associates are encouraged to work with as many of our practice groups that interest them. In addition to the work you will be doing, there will be training seminars, educational workshops and opportunities to network with others at the firm. At the end of the program, our goal is to have each of our summer associates come back the following year as first-year associates.

First-year associates participate in an orientation to familiarize themselves with the firm and its business practices, policies and management. We also match new associates with mentors to help them with their transition into full-time legal practice.
