Mergers and Acquisitions

About Dewey & LeBoeuf

Dewey & LeBoeuf is a leading global law firm providing our diverse client base with national and cross-border solutions to all of their legal requirements. We have also earned a reputation for our deep firm-wide experience in numerous sectors, including energy, financial services, insurance and technology.

With more than 1,100 lawyers in 26 offices spanning major financial markets around the world, we are one of the largest law firms in New York City and one of the largest US firms located in London.

As a firm that frequently advises our clients on assignments that span multiple practice areas and jurisdictions, we have well-established strengths in the emerging markets.

Over a third of our lawyers are based outside of the US in exciting areas of growth, including China, Russia, Kazakhstan, the United Arab Emirates, Qatar, Saudi Arabia and South Africa. This is complemented by our well-established network of offices across Asia, Europe and the United States.

Mergers and Acquisitions

Dewey & LeBoeuf LLP has extensive experience and involvement in mergers and acquisitions, leveraged buyouts and other forms of business combinations, acquisitions and divestitures. In these transactions, the firm draws upon its vast resources and large pool of corporate lawyers in a variety of areas, such as regulated industries (insurance, energy and utilities, banking, technology, healthcare and telecommunications), corporate reorganizations, corporate tax and corporate benefits.

The M&A Group represents acquirers, targets, financial advisors, leveraged buyout groups, independent board committees, shareholder groups, equity investors, and subordinated and senior lenders in both domestic and cross-border transactions. We also provide advice to clients on fiduciary duties of directors in connection with mergers, spin-offs and other extraordinary transactions, composition and operation of boards of directors and their committees, executive and director compensation, and corporate governance matters.

Our lawyers are significantly involved in transactions across a wide range of industries, including the insurance, energy and utilities, healthcare, consumer goods, telecommunications, pharmaceutical, entertainment, technology and defense sectors.

As a result of the experience gained by representing such a diverse group of clients, the M&A Group is able to provide clients with a wide range of services, including:

- Advice on legal, regulatory and tax implications of alternative transaction structures and proposals;
- Organization and implementation of legal due diligence reviews;
- Drafting and negotiating transaction agreements, financing agreements, tender/exchange offer documents, proxy statements and related documents;
- Advice in connection with auctions and competitive bidding situations;
- Assessment of litigation and regulatory risks; and
- Advice to senior management and boards of directors.

In 2010 the firm was among the top 10 in *Thomson Reuters* rankings in virtually every major M&A category. We consistently rank among the leading advisers in M&A transactions.
